

Want some help changing your current space?

Want to create some new space in your home or business?

Want to raise funds for Blean Village Hall?

**Spacemaker Architects** can offer you a one hour initial consultation in return for a **£40** donation to **Blean Village Hall Raise the Roof Fund**.

We'll spend an hour with you exploring what's possible and how much it will cost. If you like us and how we work, it might be the first step towards making your space work for you and if you don't then there's no further obligation. You'll have some new ideas and **Raise the Roof** will be **£40** better off.
